

I-Well: The Life You Deserve

A profound wellness experience, designed to transform your lifestyle in just a few days.

BOOK YOUR I-WELL EXPERIENCE

What is I-Well?

I-Well was born from the idea of providing a safe and natural place to live for short or long stays, in an oasis located south of our beautiful city at a low cost. And since our offering is located within the facilities of the best wellness center in western Colombia, we decided to make a difference by putting our team of professionals with extensive experience in physical and mental well-being at your disposal. That's why I-Well is more than just lodging and meals at the best price; it's a radical life-changing experience. Our program combines physical and mental well-being, healthy habits and lifestyle, as well as achieving a deep connection with yourself.

At I-Well, we offer you a safe and conducive environment to transform and thrive physically, mentally, and emotionally.

With I-Well, you live at the best price while you rest and transform.

Retirees seeking mindful experiences

This program is especially recommended for seniors looking for a safe, warm, affordable, and wellness-filled place to rest, reconnect, cultivate their health and well-being, regain their mobility, flexibility, and youthful energy—in short, improve their quality of life.

Digital nomads seeking balance

People who work remotely and want to combine productivity with well-being, nature, tranquility, and a healthier lifestyle.

Foreigners wanting to live in Cali without complications

People seeking short-term or long-term stays in a safe, beautiful, affordable place with a warm climate and surrounded by authentic local culture.

People exhausted by urban stress

Those who need a physical and mental break to regain energy, clarity, and emotional well-being.

Seekers of mindful experiences

People interested in yoga, meditation, breathwork, stillness, healthy eating, and wellness practices.

Travelers who prefer authentic experiences

They don't seek impersonal hotels, but rather tranquil, welcoming spaces connected to nature and local culture.

People in transition or emotional recovery

Those emerging from a difficult time who need a safe, healing environment focused on holistic well-being (without it being a clinical setting).

Creatives, entrepreneurs, and writers

People who need inspiration, quiet spaces, nature, and a stable lifestyle to create, think, and produce.

Couples seeking a shared wellness experience

Peaceful days, mindful practices, nature, and good food to reconnect.

A natural paradise in southwest Cali

Ishka Center, Cali

We are located in Ishka Center, the most visited wellness center in southwest Colombia, with over 20 years of tradition.

It is situated in the safest area of Cali, in a privileged setting, far from the noise of the city, where nature, fresh air, and relaxation abound. It is the ideal place to disconnect and reconnect with yourself.

One of the greatest advantages

One of the greatest advantages of staying at Ishka Center is that you will have easy access to the second-best clinic in Latin America, as we are only a 15-minute drive from the Valle del Lili Foundation. At this clinic, you will find the best healthcare options at the most affordable prices. Therefore, if you wish to undergo any type of medical treatment or health procedure, even the most complex, this is the perfect place for you.
